Treasurer

Invitation to attend Rotary Club of Chestfield's Guest Meeting on 25th February 2010

It is Rotary International's birthday on 23rd February 2010 and we holding an "open" meeting on Thursday 25th February 2010 at Chestfield Golf Club starting at 7-30am and concluding around 8-45am to give people a chance to find out what really happens in Rotary Clubs.

Let us show you what really goes on, not what you may think goes on!

Rotary is a "secret society"

– it certainly is not, it's dual gender with no age limits and welcomes all ethnic groups as members, our aim is to reflect our Community.

You have to be a "professional" to join

– only in your job and approach to others, you can be a director, a window cleaner, a housewife, a single parent, retired its your experience, personal ethics and willingness to put something back into the Community that is most important. There is no "work sharing / commitment" to trade with other members in any way.

You have to "donate" money each month

– we pay all our club administration costs, meals etc personally (like a club membership fee) with all the money we raise for Charity being used 100% for Charity. Nobody is under pressure to "donate" to anything you would not normally donate to.

You have to attend "every week" or get thrown out

– there is a preferred minimum attendance level of 50% but this can be "topped up" in a variety of ways and we have never asked anyone to leave. Rotary is about fellowship so meeting is important but Family and Work always come first.

Meetings are very "formal"

– there are certain things that we need to do to keep members advised of what is going on but email is great for this. Our meetings are short, to the point, fun, light hearted, interesting and everyone leaves with a smile as a great start to the day.

It's a very "private members" club

– nothing could be further from the truth we welcome partners, family, friends to our meetings, social events and Community events.

Why not come and see us in action I think you will be pleasantly surprised!

See two new members being inducted into Rotary and talk to them about why they wanted to join us, as well as members who have been there since we started.

If you would like to come along please give me a call or drop me an email you will be very welcome.
